

Scholastic Reading Club

Dear Room _____ Readers,

Our school is partnering with Ethan & Choco's Book Club (ECBC) to donate new books to CHOC Children's Hospital! ECBC is a program created by Tustin Unified School District student Ethan Posner, who noticed that books and reading were missing from patients' hospital experience while battling High-Risk Leukemia at CHOC. Ethan founded ECBC to make sure that kids who are hospitalized at CHOC receive the tremendous social and cognitive benefits of reading. His ultimate dream is to build a fantastic stand-alone library at CHOC where patients can read quietly, check out books, and attend storytimes and author visits.

If you are planning to place a Scholastic Book order this month, please consider also purchasing a book or more to donate to ECBC. If you wish to support ECBC, please fill out the form below. If you are not sure which book to donate, you can just donate a couple dollars and we will make a book selection for you. Your donated books or money will be sent straight to ECBC in your name.

Thank you for helping our school team up with ECBC to bring books to Orange County's hospitalized Kids!

Happy reading!

I am teaming up with ECBC!
